

Kinship Navigator Program

Caregiver Permission to Contact Form

Kinship caregivers are grandparents, other relatives, and family friends who are full time caregivers of children. ACH Child and Family Services is one of four organizations working with Texas Department of Family and Protective Services to implement a program to serve kinship caregivers. The Kinship Navigator program supports kinship caregivers by providing them special skills to help manage this unique type of family, connecting to a community of other kinship caregivers, and help finding and using resources and supports to meet their specific needs and the needs of the children they are raising.

By signing this form, you are giving your permission for ACH staff to contact you so that we may better assist Kinship Families in Texas.
