# How can corporate partners brighten futures for children and families?

## Direct program or project funding

Does your company have a corporate giving or foundation grants program? ACH has programs and projects that need financial support! You can help us provide healing services for children and families by filling our program funding gaps.

## Volunteerism

Volunteering is perfect for team building, employee development, recognition, and brand building. Activities include bringing meals, campus clean-ups, providing recreational activities, donation sorting, and more!

## Advocacy

Broaden the base of support for child abuse victims by becoming an ambassador for ACH. Host a presentation at your corporate office to educate your team about our mission and programs or help connect ACH with other civic groups such as chambers of commerce, rotary clubs, or corporate partners.

## Host an event

Company events such as a golf tournament, fun run, or give-back night take on new meaning when they serve a local charity like ACH. Third party events are a great way to strengthen your company's visibility and reputation within the community.

## Event Sponsorships

- **APRIL** The annual Lend a Hand luncheon focuses on National Child Abuse Prevention Month
- **OCTOBER** Trunk or Treat provides Halloween fun for kids in care
- **NOVEMBER** Our western-themed Hoot 'n Holler gala supports children in residential and foster care programs

## Donation Drive

Our children often come to ACH with nothing but the clothes on their backs. Your company can help them directly through hosting drives for basic needs, school supplies, clothing, and holiday gifts.
